

I would like to express my concern about the proposal for LPFM stations taking priority over FM translator service. I listen to K-LOVE because it gives me a station that plays commercial free Christian music. I listen to K-LOVE daily as do many of other Christian people in the Cincinnati area. By taking this away it would take away from my family and community a station that plays the music I and my family along with others want to listen to because we believe in their ministry. This is in the public interest to keep K-LOVE because the service it provides is a way to reach out to people who are searching for Jesus and also for inspiration to those are going through hard times. I ask that you keep K-LOVE as it is and not replaced with LPFM stations.
